

Dear Parents,

The teachers in Baldwin County School System create professional web pages featuring the academic, extra-curricular, and special projects of their students. Most of these sites are available on the World Wide Web through various sites.

We are asking your permission to publish a picture of your son/daughter on these various pages. The pictures will not feature names, grade levels, etc. (unless specific permission is granted in writing).

Please sign the bottom portion of this letter if you give permission for your child's picture to be used in this manner by the Baldwin County School System. If you have any questions or concerns, please contact Tina Mason, Technology Director, at tmason@baldwin.k12.ga.us or 457-3313.
